ELLE'S TAKE THIS MONTH ON THE HOTTEST TRENDS FROM THE WORLD'S FASHION CAPITALS

# ELLE FASHION

Summertime is here – sit back and unwind. **LIFE'S A BEACH** With the mercury rising, it's time to soak up some rays. Here's how to be the best-undressed under the sun.

**THE ENCHANTED GARDEN** Look like a heroine right out of a Charlotte Brontë novel, in romantic pieces that walk the line between modesty and sensuality. **COME AS YOU ARE** Hit a new high with an updated take on '90s grunge. Gritty meets girly when you put together flannel, hoodies, lace and florals.

**ZIGGY WITH IT**

Cotton off-shoulder gingham shirtdress, by **PRADA**, chain print twisted bandeau, by **MILETI**, and fabric clutch and popsicle earrings, both by **KATE SPADE**.
